Kentucky Genealogical Society
Grant Selection Committee Evaluation Tool

Committee participants evaluate and score applications based upon the five following criteria (**100 possible points total**):

1. **Risk**: How at risk are the records from being lost forever? (0-20 possible points)
2. **Rarity**: How rare are the records being considered for the grant (e.g. Is this the only set of this records in existence or are redundant copies available elsewhere?) (0-20 possible points)
3. **Value**: How valuable will digitizing these records be to Kentucky genealogical researchers? (0-30 possible points)
4. **Realistic**: Is it realistic the grant seeker will be able to complete the grant within a one year timeframe? (0-20 possible points)
5. **Diversity**: Do the records reflect a historically disadvantaged Kentucky population? (0-10 possible points)
